Reasons For Allowance

1. Claims 1-17 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record taken either singularly or in combination fails to anticipate or fairly suggest the limitation of the dependent claims, in such manner that a rejection under 35 U.S.C. 102 or 103 would be proper. The prior art of record fails to teach a combination of all the claimed features as presented in independent claims, specifically **an elongated body having a plurality of differently sized retaining structure for holding differently sized batteries so that the batteries lie in parallel to each other** in combination with the other features of the flashlight structure as recited in independent claims 1, 6, and 17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
